First NE transfer station will be closed for 1 year for renovation starting July 2005

- 1) Textiles include: bedding (no mattresses), boots & shoes, curtains, fabric, linens, stuffed animals, area rugs, and reusable clothing.
- 2) Maximum of 3 appliances per trip. CFC is a freon coolant found primarily in refrigerators, freezers, and air conditioners.
- 3) Pallets, dimensional lumber, scrap wood, stumps, and branches larger than 4 in. in diameter, **that is not painted, stained, or treated** in any other way.
- 4) **Containers limited to a total of 30 gallons per customer, per day.** The HHW facility at Factoria is open Thursday–Sunday from 9 am to 5 pm.
- 5) Leaves, grass, prunings, and branches less than 4 in. in diameter and 8 ft. in length. Yard waste should be separated from garbage for recycling. **No sod or dirt is accepted.** At Factoria Transfer Station, yard waste for recycling is only collected Monday–Friday from 5 pm to 7:30 pm.
